

Miss Mildred Lunsford, who has held a government position in New Orleans for several months, is spending some time with her mother, Mrs. Onie Wilks, at Zion Chapel. After a vacation, she will enter training for military service.

Mrs. Henry Holland and son, Harold, have returned to their home in Thomasville, Ga., after visiting her mother, Mrs. Ida Bryan.

## CARD OF THANKS

We wish to express our appreciation for your comforting expression of sympathy during the sickness and death of our husband and father.

Mrs. Joe T. Young and Family.

Mr. and Mrs. W. F. Fortner spent several days last week with relatives in Pensacola, Fla.

## 4TH OF JULY SINGING

Met at Bethlehem on the 4th of July. House called to order by M. A. Helms who sang three songs, then by Elder Wade. M. A. Helms sang one song and J. P. Edwards sang 3 songs as introductory songs.

Class went into organization, electing the following officers: M. A. Helms, chairman; U. B. Grimes, vice-chairman; U. B. Hudson, secretary; J. P. Edwards, J. W. Lee, arranging committee.

The committee used the following leaders: L. G. Davis, I. A. Wilks, A. A. Davis, J. P. Edwards.

Lesson by: Hasting Blair, E. A. Wilks, F. M. Cain, W. E. Kirkland, L. R. Hickman, A. A. Parker, J. P. Edwards.

Lesson by: J. M. Smith, J. M. Donaldson, D. F. Wilks, W. C. Clark, U. B. Hudson, Mrs. W. E. Clark, J. P. Edwards made a short talk. One hour for noon.

Afternoon Session—Lesson by: G. F. McCall, G. H. Ammons, Mrs. W. E. Kirkland, Horace Batchelor, Willie Brooks. J. P. Edwards sang two songs by request.

Lesson by: C. F. Davis, L. N. Phillips, J. W. Lee, J. W. Grimes. Closed with prayer by Elder Wade.

Delegates to convention: W. C. Clark, A. A. Davis, M. A. Helms, Chmn., U. B. Hudson, Secy.

Visitors in the home of Mr. and Mrs. John Kendrick, of Zion Chapel, last week end were: Mr. and Mrs. E. H. Willis, Wilma and Annie Joe; Mr. and Mrs. Allen Willis, all of East Tallapoosa; Mr. and Mrs. H. T. Little, Montgomery; Mrs. Martha Frances McKinney, Heath; Mr. and Mrs. Don Anderson, Troy; and Mrs. Ethel Sunday, of Trenton, Fla., who expects to remain for a few weeks' visit with her mother, Mrs. J. B. Wells, and other relatives. Mr. and Mrs. Joffery Smith and children called Sunday afternoon.

Mr. Howell Bennett, of Dothan, is visiting in the home of Mrs. S. H. Brock this week. He was recently discharged from service after spending nearly four years overseas.

## OPA:

## Farm Prices

Passed by the senate as part of a bill extending OPA for one year, a provision requiring that farm producers be granted cost plus profit needed for rough treatment in the house, with Pres. Harry S. Truman joining to oppose the amendment.

Drawn by Senators Wherry (Nebr.) and Shipstead (Minn.) and adopted by a 37 to 30 vote, the cost-plus provision stipulates that "it shall be unlawful to establish or maintain against the producers of any live stock, grain or other agricultural commodity a maximum price . . . which does not equal all costs and expenses (including all overhead expenses, a return on capital and an allowance for the labor of the producer and family) . . . plus a reasonable profit thereon."

While President Truman described the provision as bad and hoped the house would knock it out, other critics declared that it would create confusion by replacing the present parity formula, scaling farm prices according to general costs. Countering this argument, Senator Wherry said the provision would apply if parity prices failed to meet expenses.

From January through May, distribution of sugar totaled 2,855,900 short tons compared with 2,747,543 last year. It was lowered.

Reflecting criticism that the impending sugar price has resulted from loose control of the commodity in the face of over-optimism over supplies, figures showed that as of June 3 raw sugar stocks amounted to 275,748 short tons compared with 442,224 last year, the best inventories totaled 374,002 short tons as against 465,222.

FARM SAFETY WEEK  
BEING STRESSED BY  
SOIL CONSERVATIONIST

The Soil Conservation Service, in cooperation with other Agricultural Agencies in Coffee County, is making a special effort to encourage safety on the farm, according to J. T. Albritton, Work-unit Conservationist in the Wiregrass Soil Conservation District.

Carelessness is a big factor in the tremendous loss we have from farm accidents. It is not only a matter of personal concern to farm families, but is also an important consideration in the farm war production program.

The National Safety Council reports show millions of man days lost that would aid in helping to feed our Allied countries. Through practice of safety measures, virtually all of this lost time could be avoided.

Rapid progress has been made in reduction of accidents in industry, as a result of organized safety programs. But virtually no progress has been made in the reduction of accidents in the farm, where the rate is extremely high.

Now that labor is scarce on most farms and increased machinery used, lost-time accidents present a serious economic as well as a personal problem. With farmers working longer hours, accidents are likely to increase unless every safety measure is used.

MARVIN JERNIGAN  
AT GREAT LAKES

Marvin Dixon Jernigan, 17, son of Mr. and Mrs. J. M. Jernigan, Kingston, is receiving his initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes, Illinois.

His recruit training consists of instruction in seamanship, military drill, and general Naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a Naval Service School, to a shore station, or to immediate duty at sea.

When his recruit training is completed, the seaman will receive a period of leave.

A card received this week by The Clipper from Cpl. Fred D. Clark, son of Mr. and Mrs. H. J. Clark, of Elba, states that he is now stationed at Geiger Field, Washington. Formerly he had assignment at Napier Field.

ORDER OF PUBLICATION  
Maggie Pridgen, Complainant, vs. Murphy B. Pridgen, Respondent.

The Circuit Court of Coffee County, Alabama, in Equity, Elba Division.

To Murphy L. Pridgen: You will take notice that Maggie Pridgen has filed Bill of Complaint against you in this Court. You are therefore notified to appear, plead, answer or demur to said bill on or before August 27, 1945, or its allegations will be taken as confessed.

This the 26th day of July, 1945.

Gladys Clark, Register.

## THE ELBA CLIPPER, ELBA, ALABAMA

Lesson for July 29

LESSON TEXT—Genesis 17:1-16. GOLDEN TEXT—I will establish my covenant between me and thee and thy seed after thee, and I will be a God unto thee and to thy seed after thee—Genesis 17:7.

God keeps His promises. It may have appeared that God had forgotten, but He had not, and our lesson we find Him ready to fulfill His promise.

We need to learn the lesson of patience, of awaiting God's time for the carrying out of His purpose. He is not in any hurry, but He always arrives on time. If we travel with Him, all will be well.

Abram found the fullness of God's blessing because he sought His will for life and service. We find Him in I. Walking in God's Plan (vs. 1, 2).

The place of blessing is not in some cloistered refuge where the circumstances of life and its problems cannot disturb us. It is in the daily walk with God. In the home, in the office, in the shop.

What is God's plan for the life of the believer? Just what He told Abram: "Be thou perfect." Nothing less will do, for the perfect law is perfect (Ps. 18:7).

He requires a perfect obedience to the perfect law. He has His standard for Abram, and it can be no less for us.

How shall we attain to it? Only in Christ can we meet and fulfill God's plan of perfection.

That means we are to seek the power of the Lord as we seek His power for the outworking of His grace in our lives.

We too, must recognize that if God is to give us His full measure of blessing, we must walk in the light as He is in the light (I John 1:7).

Much of the failure and impotence of the present day spiritual life is explained by the willingness of Christians to live imperfect lives.

II. Talking of God's Purpose (vs. 3-8).

Abram felt on his face in adoration and worship. In reverence and humility, he put himself in the place of submission and service.

What happened? "God talked with him" (vs. 3). This man was ready for a holy conversation with the Lord. His attitude of body was an outward expression of an attitude of heart which was right. So God and he talked about the purpose of the Lord for Abram's life.

He had been Abram, which means, "exalted father," that is, of a family or a tribe, he became Abraham, "the father of a multitude."

This is the first of many instances in Scripture where a name was changed by God to mark an important event, or a change of heart.

For example, Jacob "the supplanter" became Israel, "a prince with God" (Gen. 32:28); Simon became Peter, "a rock" (Matt. 16:17, 18).

The letter to the church at Pergamos speaks of the one who overcomes in Christ's name as having a new name written which no man knows save he that receives it (Rev. 2:17). This new name is known as the "typical name" which is changed when his name is changed or not.

III. Trusting God's Promise (vs. 9, 10).

Down through the ages every man in the great host to descend from Abraham was to bear the outward token that he belonged to the covenant people. This was to be a symbol of and to lead the recipient into that attitude of heart which would bring outward rite into fulfillment as an inward reality.

Observe that after Abraham, it was always the parent who thus brought the son into the covenant, and their consequent eagerness that their families should be counted into the covenant with God.

Christ is ready and eager to undertake for our children. His grace is sufficient, not only for us, but also for those who come after us. His promise is to our "children's children" (Ps. 103:17, 18), "of such as keep His covenant." Let us trust Him, and put ourselves and our children in that place of obedience where He may bless and abundantly.

## MRS. C. S. ALLRED

On May 16, 1945, Mrs. C. S. Allred, of Elba, Ala., widow of the late Dr. C. S. Allred, who served for many years as a deacon of the Elba Baptist Church, was called to her heavenly reward.

At the time of her death she was visiting a daughter in Pensacola, Fla., and the news of her home-going came as a great shock to her many friends.

Mrs. Allred was born and reared in Elba. She joined the church soon after its organization and continued a faithful member until her death. She was a devoted wife and mother, a loyal friend and consecrated Christian. She was a woman of rare personal charm, living quietly and unobtrusively, meeting bravely the responsibilities and sorrows of life. The fact that she lived so closely to her Heavenly Father explains the beauty of her character.

She leaves a brother, Mr. John Jordan, of Baltimore, Md.; two daughters, Mrs. Guy Polson, of Elba, and Mrs. H. W. Richburg, of Pensacola, Fla.; two sons, C. O. Allred, of McMinnville, Tenn., and A. K. Allred, of Foley, Ala., and five grandchildren, besides other relatives.

Whereas, her death is a great loss to the church, the Sunday School, her friends and the community—therefore, we resolve:

1. That we commend her to the life of the people of this church and community as worthy of emulation.

2. That we express our sympathy and Christian love to her family, praying God's richest blessings upon them.

3. That a copy of these resolutions be sent to the family, a copy to the Alabama Baptist and a copy to the Elba Baptist Church.

Respectfully submitted,  
Mrs. J. A. Carnley,  
Mrs. Fred Harper,  
Mrs. J. W. Kendrick,  
Committee.

Mrs. Willard Martin, Mrs. H. J. Dickert, Mrs. James Martin and Miss Marguerite Edmondson were visitors to Sunnyside, Fla., during the past week end.

Madame Chiang Kai-shek was graduated from Wellesly College in 1917.

All national wealth depends upon an enlightened agriculture.—Webster.

We are in the market for several hundred bushels of WHITE CORN, Shelled or in the Ear. Will pay Highest Market Prices depending on quality. See us if you have any to sell.

## BRYAN MILLING COMPANY

D. S. BRYAN, General Manager

## We Thank You

We have sold our retail grocery business to Mr. Hershel C. Taylor who assumed charge of the store as of July 15, and take this method of expressing thanks to our friends and customers who have patronized us during the 10 years we have operated the retail store. Your loyal friendship will ever be remembered by us.

Mr. Taylor is experienced in the grocery business and we will continue our wholesale produce business and invite our friends to call on us at our office there.

We will continue our wholesale produce business and invite our friends to call on us at our office there.

J. J. LINDSEY,

MRS. J. J. LINDSEY

## City Cash Grocery

Under New Management

I wish to announce to the people of Elba and this trade territory that I have purchased the City Cash Grocery from Mr. and Mrs. J. J. Lindsey and have already assumed management of the store.

Your continued patronage is solicited, and I assure you that it will be my desire at all times to serve you in a courteous and efficient manner, assuring you satisfaction whether your purchase is large or small.

This store will in the future, as it has in the past, carry a full and complete line of staple and fancy groceries and the best vegetables and fruits the market affords.

Mr. Joe Frank Prescott

will continue to have charge of our market department, and he will be glad to serve you just as he has in the past, with the best meats we are able to obtain under present conditions.

We invite you to visit our store when you need groceries, vegetables, fruit and meats. Your patronage will be appreciated.

## City Cash Grocery

HERSHEL C. TAYLOR, Owner-Manager

Elba, Alabama

## WEEKLY NEWS ANALYSIS

Big Three Study Peace Terms; Homecomings Beat Schedule; Allies Get Set on Rule of Berlin

Released by Western Newspaper Union.

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of the Western Newspaper Union, and not necessarily those of the newspaper.)

SEA OF JAPAN

Pacific Ocean

After a full of five months, more than 1,000 carrier planes from the Pacific fleet returned to direct attacks upon Tokyo. The map graphically illustrates what they had already been given. The data is based on toll taken by B-29. Percentages show industries destroyed.

JITTERY JAPS: Get More So

Japan continued to become jittery over continued large-scale air assaults against Tokyo and other industrial centers of its islands. Broadcasts, changing from hour to hour, all indicate that Japan expects invasion of the mainland at any minute by Allies.

Military spokesmen for Japan admitted that to defend the islands it would be necessary for the Imperial government to devise some adequate defense of the homeland against continued air attacks.

Navy Score

The U. S. navy alone has destroyed more than 17,000 Japanese planes since Pearl Harbor. Undersecretary Artemus L. Gates of the navy has reported. During the same period the American fleet plane loss has been approximately 2,700. It is believed that the army has accounted for as many Jap planes, considering the large number in the last few days.

TYPHOON: Hits U. S. Fleet

Five weeks after a raging typhoon lashed Admiral Halsey's 3rd Fleet with 150-mile-an-hour winds virtually every damaged ship was back in 21 hours was back in action. The havoc wrought by the storm was described as greater than any Jap blow ever administered to the fleet.

The cruiser Pittsburgh miraculously stayed afloat after its bow was torn off in the churning sea. It has now been refitted for action.

Among the damaged ships repaired and back in action were three fast battleships and two Essex class carriers. Only one life was reported lost.

Adm. Chester Nimitz' announcement of the incident did not specify where the typhoon struck but presumably it was in the western Pacific area between Okinawa and the Philippines. This area is known as the "typhoon cradle" where violent storms strike without warning.

JAP HOSPITAL SHIP: In Bad Shape

A Japanese hospital ship, boarded by an American naval party was found to be dirty and overrun with vermin. Food and medical supplies were entirely inadequate for the 1,000 patients, who had been removed from Wake Island under truce.

Many of the Japs appeared to be starving. A doctor admitted that many would die during the night. While the sick men were kept clean, the wards and galleys were filthy and insect-infested, and the standard of cleanliness on the ship was below par everywhere. A stench emanated from the ship that could be smelled 1,000 yards away.

Critically, the Jap officers were polite and anxious to please. The skipper offered American officers tea and liquor. He was interested in American baseball, as he had played third base on a Jap navy team, and was especially interested in the present standing of the Yankees.

CONVERSION POST: To Treasury

The Office of War Mobilization and Reconversion will become a part of the treasury department when Fred M. Vinson, present director, becomes secretary of the treasury, according to Washington.

Vinson has already indicated that he intended to keep his top OWRA personnel. Eventually treasury officials look for a further consolidation of some of the independent fiscal agencies into the treasury.

## PLENTY POINTS: But Still In

Eighty-five points don't necessarily mean immediate release from the army, as all soldiers know. The trouble is, their families don't realize the catch. Thousands of men who have served long and valiantly are being held indefinitely. In many cases they are having a hard time explaining to their wives just why they aren't coming home soon.

One captain stationed in Germany with an occupation unit has 127 points. His wife is so sure that he could return to the states if he wanted to that she is threatening divorce. She thinks that he wants to stay because he has fallen for some German woman. Chaplains report that dozens of such cases reach them every week. Morale is suffering seriously.

CHARTER: Moves Along

The United Nations charter, meeting with almost no opposition before the senate foreign relations committee, went to the senate for ratification without modifications. The committee ended its sessions by a parade of supporters of the charter, minutes and furnish a copy for the family.

Final witnesses before the committee included Philip Murray, president of the CIO and William G. Carr, president of the National Education association as well as Norman Thomas, Socialist party leader.

The speed with which the charter has been handled indicates that the United States will become the first to officially accept the charter or to pass on it in any form.

## NEW WAC CHIEF: Hobby Resigns

Col. Westray Battle Boyce has been named director of the women's army corps, following resignation of Col. Oveta Culp Hobby, who had been in charge of the service.

Colonel Boyce was employed for eight years in federal agencies in Washington before she joined the WACs. She served as a company officer and in public relations work.

In North Africa she was WACs director. During the last few months she had been chief assistant to Colonel Hobby.

CHINESE GAINS: On Mainland

Doggedly battling Chinese troops have recaptured two former U. S. air bases in Kiangsi province, it was announced by the Chinese high command. The important Jap base at Kanchow is being encircled, it was said, with fighting going on 22 miles out from Kanchow.

This Chinese victory was hailed as a major breakthrough in the drive to capture Kanchow. Japanese supply lines 150 miles west of Canton in Szechwan province of this city is a major objective.

New advances are being made in Hunan province, where the Japs are pulling back toward Fooking. They are now only four miles outside the town, which guards the important railway junction of Fooking.

## AUTOS: Ration Free?

More autos will be available to the public by March 31 than originally planned—at least enough to bring announcement from Henry P. Nelson of the War Production board that they would be ration-free.

They will still be hard to get, however due to a serious shortage of tin. The present quotas called for some 690,000 new cars by next March 31, which is not much more than 10 per cent of the market demand. This while cars may be placed on ration-free lists, little hope is held out that many will be able to secure the family car they have been saving for.

## BEEF: Grass Fed

Cattle fattened on grass in Oklahoma and Kansas are beginning to enter the markets in sizable numbers. About 980,000 head have been put to graze on the blue stem grass lands. It is expected that the steers will gain from 200 to 350 pounds on the green feed.

Ordinarily beef from the grass country rates as B grade or worse. Animals that would come up to A grade if finished on corn are being grass fed because of the scarcity of grain. Commission men think the grassy beef will sell for 13 to 14 cents a pound.

## MALARIA CONTROL:

Daily "dousing" of Manila by low-flying aircraft with DDT, the wonder insecticide, has resulted in a sharp decline in the fly, mosquito and other pests among its unaccustomed population, with a material lowering of the number of malaria cases reported.

The planes, mostly transports, fly at rooftop level, spraying the city with a fine mist composed of DDT. The same method has been used effectively on the New York City beaches. The supply is still limited.

## MR. C. E. DORSEY

In the passing of Mr. Claude Eugene Dorsey on March 22, 1945, the Elba Baptist Church and surrounding community suffered an irreparable loss.

Mr. Dorsey was a consecrated Christian and had been an active deacon of the Elba Church for a number of years. He was an example of the highest ideals in the home, in the church and in the community. He was ever eager to help his fellowman and to promote God's Kingdom. Be it therefore resolved:

1. That the members of the Elba Baptist Church bow in humble submission to the will of Him who doeth all things well.

2. That we extend to his wife, son and other loved ones our heartfelt sympathy and commend them to the Comforter.

3. That we send a copy of these resolutions to the Alabama Baptist, spread a copy on the church minutes and furnish a copy for the family.

Mrs. J. A. Carnley, Mrs. Fred Harper, Mrs. J. W. Kendrick, Committee.

## BIRTHDAY PARTY FOR LITTLE FOLK

Mrs. Wallace A. Wagener entertained a number of children at her home in the Allied apartments Friday afternoon, July 6, honoring her little daughter, Linda, on her second anniversary.

After a number of games, delightful refreshments were served to the following guests:

Ratsy Roney, June Tumbin, Sammie Brown, Yvonne Bryan, Billy Harrison, Mary Sue Morrow, Jimmy Allen, Henrietta Mack, Robert Russell, Frances Nelson, Jo Jo Clark, Malcolm English, Tommie Farmer, Jr., Judith Farmer, Roger Winston, Jr., Bobbie Innman, Douglas Jones, Jr., Mrs. C. E. Clark, Mr. and Mrs. Guy Folsom, and the honoree.

## CHINESE GAINS: On Mainland

The planes, mostly transports, fly at rooftop level, spraying the city with a fine mist composed of DDT. The same method has been used effectively on the New York City beaches. The supply is still limited.

## TAYLOR-McSWEAN WEDDING SOLEMNIZED

Miss Reid Taylor and Mr. Malcom L. McSwean, Jr., were married at the home of the groom's sister, Mrs. W. E. Bentley, on Friday, July 13, with Rev. E. B. Paul, pastor of Brantley Methodist Church, officiating. The single ring ceremony was used.

The bride wore a two-piece white embroidered linen dress with harmonizing accessories. Her dowry was a shoulder corsage of white carnations.

Immediately after the wedding the bride and groom left for a short trip. Later they went to Dublin, Ga., where the groom has been assigned.

Mrs. McSwean is the only daughter of Mr. and Mrs. P. V. Taylor, of Cross City, Fla. She is a graduate of Elba High School, where she was an outstanding student. Since she has resided in Cross City she has been manager of the Western Union office there.

Mr. McSwean is the only son of Mr. and Mrs. Malcom L. McSwean, Sr., of Brantley. He graduated from the high school there and continued his education at Troy State College. At present he is Pharmacist's Mate, 2nd class, in the U. S. Navy, and is located at Dublin, Ga., after many months' service in the Pacific.

Civilians will get more butter during August, the Department of Agriculture has announced. This is the result of reduced set-asides of creamy butter for Government purchase.

Dr. and Mrs. W. M. Ringsdorf and children are expected to return to Elba the latter part of the week from Saluda, N. C., where they have been spending two weeks' vacation.

Short Mortgages, Waive Notes and Rent Notes for sale at Clipper Office.

Miss I'belle Whitman who graduated from Howard College, Birmingham, a few weeks ago, passed her examination before the Alabama Board of Pharmacy recently and is now a full-fledged pharmacist.

#### BRADSHAW SINGING

Singers and lovers of singing met at Bradshaw on Sunday, July 15, for the 39th annual session of Bradshaw home-coming singing.

House called to order by J. M. Donaldson who sang three songs. Prayer by L. G. Davis. W. U. McWaters sang three songs as introductory lesson. Class went into organization, electing the following officers: J. M. Donaldson, chairman; L. A. Wilks, vice chairman; U. B. Hudson, secretary; L. A. Wilks and J. T. Rodgers, arranging committee.

Lesson by: A. M. Smith, U. B. Hudson, C. F. Davis, Recess.

Lesson by: L. G. Davis, W. C. Clark, J. P. Edwards, A. A. Blocker, J. T. Rodgers, John Wise. One hour for noon.

Lesson by: A. A. Davis, Willie Brooks, L. A. Jones, W. J. McCoy, Mrs. W. C. Clark, Mrs. A. A. Blocker, Recess.

Lesson by: G. F. McCall, W. D. Wise, S. M. Davis, Miss Wilene Clark, Jay Walden, J. W. Lee, Recess.

Lesson by: O. G. Simmons, R. R. Bowdin, James Thames, and L. N. Phillips. Closed by chairman. Dismissed with prayer by L. G. Davis. Minute money \$3.55.

J. M. Donaldson, Ch., U. B. Hudson, Secy.

Boll weevils are playing havoc with cotton that has not been poisoned throughout South and Central Alabama. W. A. Ruffin, extension entomologist, advises farmers to examine their fields and start poisoning with calcium arsenate as soon as they find 15 to 25 per cent of the squares are punctured.

Here's good news for residents who depend largely on local slaughterers for their meat supply: Non-federally inspected commercial slaughterers may now slaughter 10 per cent more cattle, sheep and lambs than their previous quotas.

If you have never added lemon juice to hot, buttered vegetables, give it a try the next time you serve asparagus or harvard beets. A little lemon juice on fresh spinach or other greens is delicious, gives them a fine new flavor you will like.

Farm Water Wells, from two-inch hand drilled wells to large power drilled wells up to six inches. Electric Pumps, Hand Pumps, Wind Mills and old Wells repaired. See, write or telephone Y. T. Radford, Fort Davis, Alabama.

## CEMETERY WORKING

There will be a cemetery working at Whitewater on Friday, July 27. Everyone is urged to come and bring appropriate tools.

Mary White.

Cpl. Jack M. Prescott returned to his assignment at Galveston, Texas, last week after spending three weeks' furlough with Mrs. G. M. Prescott and family.

Mrs. W. F. Jacobs and Mrs. Anna Ruth Mooney, of Montgomery, are spending the week in Elba with Mr. Jack Owen and family.

Mrs. Frank Wilkos and little daughter, Misses Gladys Clark, Sammy Blue and Carolyn Vaughan were visitors to Compass Lake, Fla., during the week end.

## Classified Advertising

## Where Shopping Is Both Pleasant and Economical

We are very proud of our store in Elba and it is our sincere intention to operate it in such a way that you, too, will be proud of it. You will never find our merchandise priced over the ceiling and there are hundreds of items, on which advantageous buying permits, that are well under the ceiling.

You will find that we have a large variety of merchandise which will be constantly expanded as fast as time and conditions will permit.

We regret, many items are out—due to war conditions, but when they come back, JITNEY-JUNGLE will be the first to display them, and at very reasonable prices.

We cordially invite all of you to visit us this week end. If you want to make a purchase—fine. If you do not, come any way and get acquainted with our system of doing business. Once you get to know our store and the arrangement of our merchandise, we know that you will like the modern self-service system of buying groceries.

We have a good many ideas on how to improve the store—such as the installation of more refrigeration equipment and a better lighting arrangement. These plans will be executed post haste, but until we can get to them, we will do an A1 job of serving you as it is.
